Spike's Sight Words

www.spikessightwords.com

Spike's Sight Words have a wide collection of exciting and engaging board games for children to learn with. With 10 themed packs and 30 individual board designs, there is something for every child to enjoy. Our award-winning educational board games offers students the chance to practise reading and spelling common exception and high-frequency words in English. Our board games are perfect for those with SEN such as dyslexia, students learning English as a second language as well as any child simply beginning to learn to read. Watch how our fun and engaging educational boards games help develop your students into a confident, independent readers.

Spike's Sight Words has divided it's word tokens into Beginner Words, Intermediate Words and Advanced Words in English - meaning you can start learning at any level. There are 150 words to learn in every pack and each token has been repeated twice to help the students practise and remember the words. Spike, our giant red octopus mascot helps engage children with their learning.

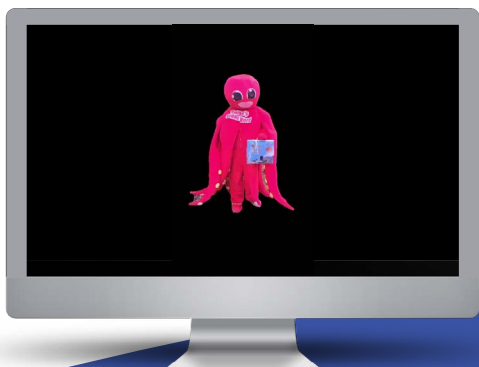

Why choose Spike's Sight Words?

Spike's Sight Words is trusted by schools across the UK and around the world for many reasons. The biggest reason is that children simply love playing and learning on our board games and learning through play is super effective!

Here is why schools are choosing to learn with Spike's Sight Words:

- **A UNIQUE CONCEPT** - being able to choose boards that your student will love and engage in is often half the battle trying to get children to learn!
- **PROVEN RESULTS** - our educational board games dramatically help children learn common exception and high-frequency words in a fun way - turning them into fluent and confident readers.
- **ENGAGING AND ENJOYABLE** - Children just love playing on our educational board games especially when they get to choose a fun playing counter that will really engage them.
- **FLEXIBLE AGE RANGE** - Whether you're starting early at 3 or 4 years old or wanting to use our boards for an older struggling reader, we have a wide range of designs that will suit such ages.
- **IDEAL FOR SEN** - with such visual and engaging designs, our brightly coloured board games are perfect for those who like to learn visually. They are great for children with dyslexia and other additional educational needs. The games are simple and not too time-consuming.

Theme packs

ACTION THEME

Ideal for children who love action and adventure. The three boards in this pack 'Cops 'n' Robbers', 'Army in the Jungle' and 'Boat Rescue' are a perfect themed pack for children who love to learn new sight words while looking at thrilling and exciting boards.

ANIMAL THEME

Dogs, cats, foxes, camels or even dinosaurs? Whatever animal your child loves, these board games are bound to get them excited! The Animal Themed Pack is fast becoming one of our most popular themed packs amongst young children, so if your child loves their four legged friends, then this themed pack is for them!

CULTURE THEME

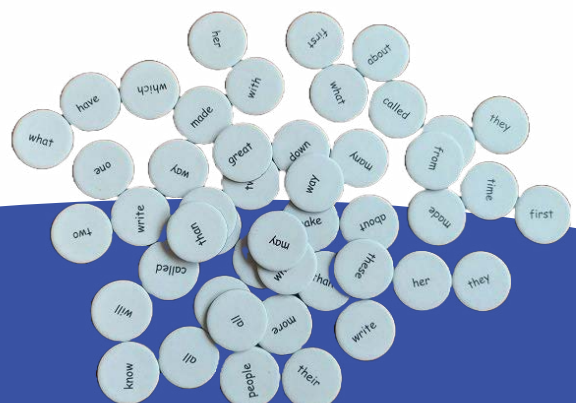

Great for children who love learning about our world from the past, present and future. Whether it is the Chinese Dragon Board, Famous Landmarks or the Ancient Egyptian Board – this pack will definitely help your child learn their sight words as well as ask questions about world history!

NATURE THEME

We must have a lot of Nature lovers out there because these themed boards are hugely popular! Every board is guaranteed to capture your child's imagination – from the farm board, to the magic forest and insect board, we are confident your child will love to play these boards over and over again!

Theme packs

SO SO CUTE THEME

Great for the younger children who love these sort of images. Cute teddy bears, a baby, a park, a pink unicorn and a fairy-tale castle are bound to get your young students asking to play the board games over and over again!

Does your student love all things space related? Planets, aliens, androids and black holes? This theme pack has it all! Guaranteed to entice your child into learning their sight words, the boards here will capture your child's imagination and take them out of this world!

SPORTS THEME

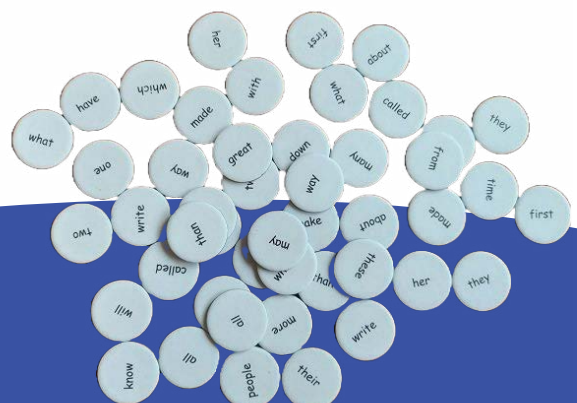

If your student plays or loves football, golf or tennis then these boards are bound to grab their attention and entice them into learning their sight words. With bright colours and fun images, your students won't mind playing the board games over and over again!

SPORTS THEME

Definitely one of our most popular themes thanks to the Formula 1 car board theme! The skiing board and horse racing board are also guaranteed to get your child interested in learning their sight words. If your child loves sports, this theme is for them!

Theme packs

VEHICLE THEME

One of our most popular themed packs thanks to children's love of firefighters and all things emergency! Let them learn their sight words on these fun, colourful boards which we guarantee will have your child asking to play over and over again!

VEHICLE THEME

Trains, tractors and construction vehicles on your child's mind? Then they will adore this theme because every board contains plenty of vehicles to look at! These games are ideal for young children and are even better if you play them using real toy cars or vehicles! [TOY VEHICLES NOT INCLUDED]

Students have really enjoyed playing the Spikes Sight Words board games, with the girls favourite being the 'cute pack', whilst the boys like the Sports and Culture packs. I am so glad that we purchased them

We were lucky enough to have a visit from Spike to our school to meet the children and launch the games. The children loved it! The games themselves are colourful and fun and are a great way to encourage reluctant readers to learn sight words!
